Is The SACD Discussion Dead Fri, 2016-02-23 08:44 Frustrated by all the chatter about the format SACD? These days, with all the digital music choices available, that might be a hard sell. But that doesn't mean we can't still get into the SACD discussion. And some interesting news has popped up. Todd Mitchell - Thu, 2016-01-06 03:00 A publisher with an illustrious pedigree (no pun intended) has announced a new line of SACDs for the vinyl enthusiast. What is an SACD? It is the SACD (SACD-Digital Audio Compact Disc) which is a high definition format that combines the impressive sound quality of CD's and DVD's with additional features. The new SACD format combines the reliability and compatibility of the standard CD format with the added benefit of extra audio features and data storage, in a high definition format.
