Best Fantasy Role-Playing Game! *Game of the Month 2016* - GOG DIGITAL AWARD The best fantasy role-playing game! Turn into the ultimate hero, Tarnished Soul, and take part in epic battles! Develop your skills and become a powerful, stylish warrior of legend, wielding a sword and putting your strength into practice! And you won't have to worry, as you can actually play the game offline! The stunning game is now released for Android devices! Never in your life have you had the chance to witness the forces of nature break into dust, and in our latest game for Android your role is that of a heroic champion who must do battle with the mythological creatures that we call Gods. Our heroes will have to overcome the Gods' legendary power and live to tell the tale. Experience the adventure! Thank you to every PLAYER and game developer for making this day possible! Thank you to our store chain partners, Google Play and GOG.com for their enthusiasm, support, and cooperation! Thank you to our publisher, Devolver Digital for leading the project from the very beginning! Thank you to the artists and programmers who made the game for you and worked for months on end to create this wonderful thing! Thank you to our composer and sound engineer for creating the music and sound effects that brought the world to life! Thank you to our backers, thank you for your support! Thank you to our readers and supporters! Thank you for all your time and effort! We truly appreciate it! DEVBOARD's PLAYER are HERE! Play on Android / iOS Devices! Get all of our latest news right at your fingertips! Thank you for making 2016 and our first year of operation on the Play Store a success! It has been an incredible journey, and we will continue supporting you all! It has also given us the opportunity to create a new adventure for the PLAYER! We will be developing our game away from the studio, which will allow us to write content at an even faster pace! If you are looking for that special special treat, we might just have something for you! We've been hard at work on a brand new adventure for the PLAYER! This will be the first of many new content updates to come, but we wanted to start off strong with some of you! The Devboard team and I truly hope you all are enjoying the PLAYER!

From the creators of the award-winning Fate/EXtella comes a new tactical RPG fighting game brimming with the story of the popular Fate/Zero novels. **MOVEMENT>** as you stretch your arm, your wrist swivels, and your body moves at a speed determined by your motion. Stride and avoid attacks, seize your enemies' weaknesses, counter their moves! **CLASS>** Supported by your own powerful abilities based on three classes - Archer, Mage, and Berserker - you will strengthen yourself step-by-step! **RPG>** The extensive research, evident in its detailed and complex battle system, was led by original Fate/Zero game designer Kosugi Masashi.

Equip your troops with weapons and armor from over 150 years ago during the period of the Napoleonic Wars in Europe. Experience a new turn-based RPG featuring a deep tactical battle system from the creators of Fate/Extra. **EUROPE: WAR ON THE FRONTIERS** • The vast outdoors are filled with so many things, and every battle is a different story. Re-enact and experience the battles between the French and Great Britain that set the conditions for the formation of the Romanov Empire, or become yourself a part of the Russian theater of war in the years leading up to the October Revolution. • Synthesize Battle Strategies Experience and analyze a tactical battle

system where players must strategize in order to choose effective battle tactics. Players can increase the combat possibilities of their troops and customize various skills for every class by tactically choosing from a variety of weapon
